## Tournament 52

Inspired by the efficient hull design of Japanese offshore fishing vessel, Tournament 52's style and design is targeted to meet the demand of the sports fishing market.

Manufactured using the 3D Resin infusion process the Tournament hull is light, strong and safe with the pronounced hull flare providing a soft, dry ride in even the most testing environments.

## Tournament 52 Specification

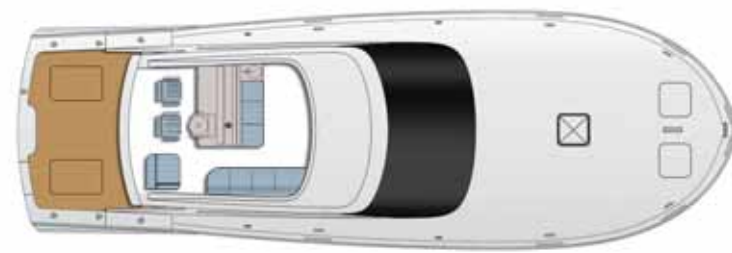

L.O.A.	52'-1" / 15.88m
L.W.L.	45'-7" / 13.89m
Beam	17'-2" / 5.23m
Draft (prop. tip clearance)	5'-5" / 1.65m
Height (W.L. to top of arch)	21'-2" / 6.45m
Displacement (light approx.)	63,900 lbs / 29 tons
Fuel Tank	1,050 gals / 4,000 lts
Fresh Water Tank	160 gals / 600 lts
Holding Tank	28 gals / 105 lts
Engines	Twin CAT C18 - 1000 HP
Generator(50Hz)	Onan 13.5kw x 1
Generator(60Hz)	Onan 17.0kw x 1
Bow Thruster	Sidepower 10HP
Stern Thruster (option)	Sidepower 10HP
Windlass	Maxwell VWC 3500(1)
